

PRINCE2® Practitioner - English

Knowledge guaranty: 12 months

Seminar-ID: P2Pren

Your key takeaways

Have you taken a PRINCE2 6th edition Foundation certification and now want to upgrade to PRINCE2 6th edition Practitioner?

Or are you PRINCE2 Practitioner certified but now need to recertify?

With PRINCE2 6th edition Foundation, you learn to passively apply PRINCE2 - that means you get to work along as someone else demonstrates PRINCE2. As a PRINCE2 Practitioner, you actively demonstrate PRINCE2 and can also use your skills in project management or project leadership.

This course prepares you for the internationally recognized PRINCE2 6th edition Practitioner exam, which is taken on the last day of the course.

Thanks to the precise tips we give you for the PRINCE2 6th edition Practitioner exam, we currently have an extremely pleasing pass rate of 100%.

Our training focuses on:

- How to use all principles, themes and processes together
- Tailoring PRINCE2 to the project environment
- Preparation for PRINCE2 6th edition Practitioner exam
